(a) whether Government have directed AICTE to publish ratings of all colleges under its ambit;

(b) the details of this directive to the AICTE by Government;

(c) in what manner Government would ensure that such ratings are fair and free from bias;

(d) whether this new duty will further create delays in the regular work of AICTE; and

442. SHRI JANARDHANA POOJARY: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) what are the details of Sarva Shiksha Abhiyan (SSA), with respect to allocation made and spent, teachers required, children enrolled since its inception, year-wise and State-wise;

(b) whether it is a fact that SSA has not succeeded in retaining SC/ST students in schools;

(d) whether lackluster course content and methodology of teaching, high absenteeism among teachers are some of the reasons for failure of SSA; and

(e) if so, the measures proposed to be taken to reduce the drop-out rate among children belonging to the marginalized communities?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MD. ALIASHRAF FATMI): (a) The funds released by Government of India under the Sarva Shiksha Abhiyan (SSA) and the expenditures incurred by States and Union Territories under the programme from 2001-02 to 30.09.2006 is given the enclosed Statement (See below).

The Working Group report on Elementary and Adult Education for the Tenth Five Year Plan set up by the Planning Commission, projected a requirement of 10.66 lakh additional teachers. Government of India under the SSA programme has sanctioned 10.12 lakh teacher posts upto 2006-07. State-wise details of Pupil Teacher Ratios as in 2005 and number of teachers sanctioned under SSA, is given in the enclosed Statement-II. (See below).

4.4 crore children in the age group 6-14 years were estimated to be out of school in 2001. As per an independent national sample survey conducted in 2005, only 1.34 crore children in this age group were estimated to be out of school. State-wise details of the SRI-IMRB survey of 2005 relating to number of out of school children (6-14 years) is given as Statement-III.

(b) and (c) The drop-out rates of SC children have shown a decline of 8.6 percentage points and that of ST children, 3.4 percentage points in primary classes from the year 2001-02 to 2003-04.

(d) and (e) The programme (Sarva Shiksha Abhiyan) places great emphasis on regular annual training of teachers, distribution of free text books to all girls and SC, ST children, and the community supervision of schools.

SSA provides for several interventions to promote retention of children from disadvantaged sections of society, by opening more schools, providing flexible learning centres, incentives like free text books, bridge materials in tribal languages, appointment of teachers and their training in order to improve quality of education in schools.
